## RELATES

HELP	•	• So let it out and let it in, hey Jude, begin
YELLOW SUBMARINE	•	• Here come old flat-top, he come grooving up slowly
HEY JUDE	•	• Oh, yesterday came suddenly
COME TOGETHER	•	• You say goodbye and I say hello
YESTERDAY	•	• Help me if you can, I'm feeling down
HELLO,GOODBYE	•	• I should be sleepin' like a log
AND I LOVE HER	•	• So we sailed on to the sun
A HARD DAY'S NIGHT	•	• She is standing right in front of me
LET IT BE	•	• I give her all my love
