

BREAKAWAY

Kelly Clarkson

Da da da da da da

Da da da da da da

_____ in a small town

And when the rain would _____

I'd just _____ my window

Dreaming of what could be

And if I'd _____ happy

I would pray

Trying hard to _____

But when I tried to _____

Felt like no one could hear me

Wanted to belong here

But something felt so wrong here

So I prayed I could breakaway

I'll spread my wings and I'll learn how to fly

I'll do what it takes till I touch the sky

And I'll make a wish, take a chance, make a
change and breakaway

Out of the darkness and into the sun

I won't forget all the ones that I love

I'll take a risk, take a chance, make a change

And breakaway

Wanna feel the warm breeze

Sleep under a palm tree

Feel the rush of the ocean

Get onboard a fast train

Travel on a jet plane far away

And breakaway

I'll spread my wings and I'll learn how to fly

I'll do what it takes till I touch the sky

And I'll make a wish, take a chance, make a
change and breakaway

Out of the darkness and into the sun

I won't forget all the ones that I love

I gotta take a risk, take a chance, make a change
And breakaway

Buildings with a hundred floors

Swinging around revolving doors

Maybe I don't know where they'll take me, but
Gotta keep _____, _____

_____, breakaway

I'll spread my wings and I'll learn how to fly

Though it's not easy to tell you goodbye

I gotta take a risk, take a chance, make a change
And breakaway

Out of the darkness and into the Sun

But I won't forget the place I come from

I gotta take a risk, take a chance, make a change
And breakaway
