My hobbies

Hello!

My name is Nora and I live in Sweden. I live in a small village in the mountains. I love mountains and I can't imagine my life without them. I live with my parents and my little sister. She is six and I am eleven.

My mum's name is Helen and my dad's name is Nick. My mum is a fitness coach at my school and my dad is a farmer. We have a small milk farm. That's why, I like sports and animals.

I get up at 6.30 and do my morning training with my mum. Then I wake my sister up. We have a big breakfast, and then our mum takes us to school in her car.

After lessons, I stay at school to practise basketball. It's my favourite sport!

At school, my sister participates in the singing club. After that, I go home with my sister by bus because my mum has some evening training.

After school, I like to help my dad to take care of the cows. They are so nice! In the evening, I like reading books or going out with my friends, but I especially love riding bikes. I have a cool blue bike. My sister and I are crazy about biking at weekends. I think I am a good rider because I practise sports every day.
