Bats

Bats are small animals that live in different countries of the world.There
are hundreds of different kinds but..... kind of bat can fly. Many bats live in trees or
roofs, but some live inside mountains. Most bats sleep in the day and look for their food
..... night. Some bats eat fruit, but eat spiders and flies. Some bigger
bats eat mice. When bats are flying, they have to listen very carefully with their ears because they
don't see very well with their eyes.

Who takes the best photos?

Lily really enjoyed learning and loved school. Last Thursday evening she carefully chose the things she needed for all of her lessons and took her school clothes out of the cupboard and put them on her chair.

On Friday morning, Lily woke up at six o'clock. She went quietly to the bathroom and had a shower. Then she put on her school shirt and skirt and went downstairs to make her breakfast. She liked doing that. She found some bread and grapes and made some hot chocolate to drink.

Example:

0. On Thursday evening Lily found everything she needed for school.

Questions:

1. Lily woke up at six o'clock on.
2. After her , Lily got dressed and went downstairs. .
