16. Based on her reaction, how does Tsunami feel when Scarlet asks if she knows who she is?
- Indifferent
  - Impressed by Scarlet
  - Confused and possibly afraid
  - Excited
17. Why does the orange dragon believe that Tsunami might be a spy?
- Tsunami admitted to being a spy
  - Tsunami has been caught stealing treasure
  - Tsunami doesn't recognize her
  - Tsunami is wearing a disguise
18. Why did Clay suggest Tsunami to return the medallion to Scarlet?
- To form an alliance with Scarlet
  - As a sign of peace and to avoid conflict
  - Because he thought the medallion was cursed
  - To show submission to Scarlet's strength
19. What is the main reason Tsunami and Clay seem out of place to the orange dragon?
- They are from rival dragon tribes
  - They have uncommon clothing
  - They are not recognized by her
  - They carry a unique medallion
20. What can we infer about the world from the dragon's comment on Blaze?
- All dragons are at peace with Blaze
  - Blaze might be a rival queen with different politics
  - Blaze is a powerful and feared warrior
  - Blaze controls all the dungeons
21. What does Scarlet's possession of chain mail and rubies suggest about her status?
- She is a renowned blacksmith
  - She is of lower societal rank
  - She is a treasure hunter
  - She is an important and powerful dragon
22. What does Clay's reaction to Scarlet's name reveal about her reputation?
- She is unknown to most dragons
  - She is revered and loved
  - She is infamous or feared
  - She is considered a myth or legend
23. What strategy does Scarlet use to maintain control when confronting Tsunami?
- Ignoring Tsunami's questions
  - Displaying wealth and power
  - Threatening violence
  - Engaging in peaceful dialogue
24. How does Scarlet's armor influence Tsunami and Clay's perception of her?
- They see her as a potential ally
  - They find her fashion sense appealing
  - They perceive her as dangerous and well-prepared for conflict
  - They believe she is in need of help
25. How does the presence of the scavenger's blood affect the scene?
- It introduces a new character
  - It heightens the tension as a sign of previous violence
  - It indicates a ritual is taking place
  - It distracts Scarlet from the encounter
26. What does the smoke pouring from Scarlet's nostrils connote?
- She is cold and trying to warm up
  - She is ill with a respiratory infection
  - She is displaying aggression and readiness to attack
  - She is communicating a secret signal
27. Why does Scarlet refer to Tsunami as 'SeaWing'?
- That is Tsunami's real name
  - Scarlet is using a nickname for Tsunami
  - She is indicating Tsunami's tribal affiliation
  - She is mistaking Tsunami for someone else
28. Which term most accurately describes the relationship between Scarlet and Blaze hinted in the text?
- Allied leaders
  - Relatives
  - Comrades in arms
  - Rival queens
29. What does Scarlet imply about MudWings through her comment to Clay?
- She respects their intelligence
  - She sees them as often foolish
  - She is seeking an alliance with them
  - She fears their strength
30. What is suggested by the way Scarlet steps through the scavenger's blood without concern?
- Scarlet is blind and did not notice
  - There is an ongoing battle
  - Scarlet is unfazed by violence and possibly cruel
  - Scarlet is attempting to cover up evidence
