2 Road safety.

Here is part of a magazine article about road safety. Some of the words are missing. Read the article and find the missing words by reading the leaflet on page 24 and 25 of the Classbook. Write your answers in your exercise book.

Road Safety Week is celebrated this month and a new leaflet gives important information to help everyone stay safe. Here's something to think about when you are next on the road:

- Did you know that if a car travelling at 1.___ suddenly stops and you are not wearing a 2.____, you will travel through the 3.___ at 120km per hour?
 - Many students have accidents on school buses because they walk 4. ____ the bus where drivers cannot see them.
 - Crossing roads is safer when you 5. _____ and 6. _____ before you cross.
 - colours get cyclists seen and 8. ____ protect their heads.

3 Sounds – /p/ and /b/. /p

First, listen to the tapescript and practise the sounds. Then, listen to the transport words and write down in the table below whether you hear a /p/ or a /b/ sound.

4 Look and answer.

Look at the ITC web page on page 26 of the Classbook and answer the following questions. Write only the number or letter in the space provided.

- Which picture is the odd one out?
- Which letter shows you the web address?
- Which letter shows you the cursor?
- Where do you find out more about the holidays mentioned?
- Where are there stories from other travellers?
- Where do you find out about other holidays?
