

FICHA INTERACTIVA MATEMÁTICA – 1ºA

Conociendo los números 1,2,3

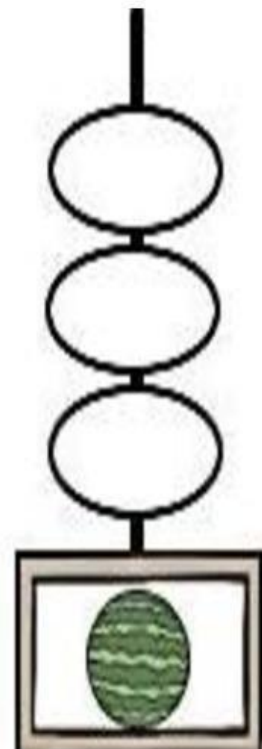

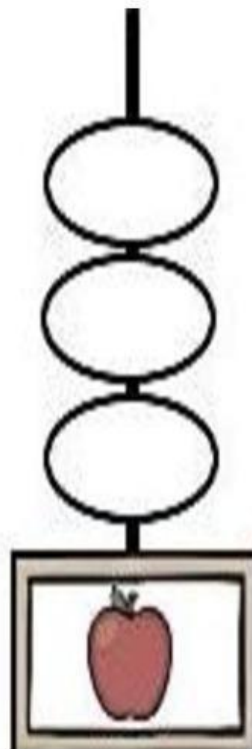

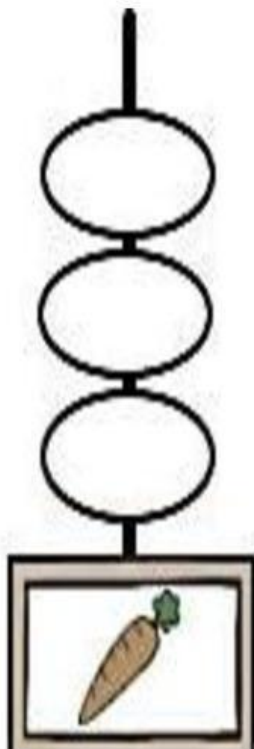

1. Leemos y comprendemos:

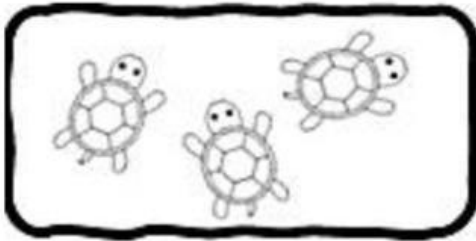

Camila despide sus vacaciones en la granja de su tío Alberto. Hoy, es día de cosecha así que toca recoger las frutas. El tío Alberto le pidió que recoja las zanahorias, manzanas y sandías y que anote cuántos hay.

2. Planteamos estrategias, pinta una bolita por cada alimento:

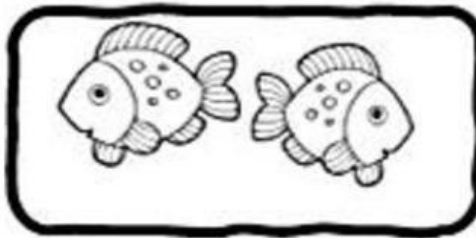

3. Cuenta y une con el número que le corresponde:

2

3

1

4. Pinta cada cuadrado según la cantidad que indica:

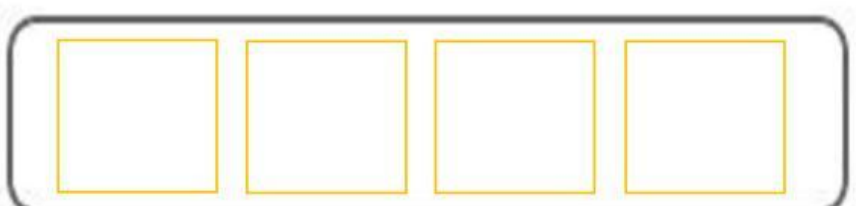

3

2

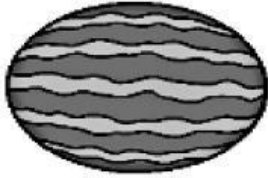

1

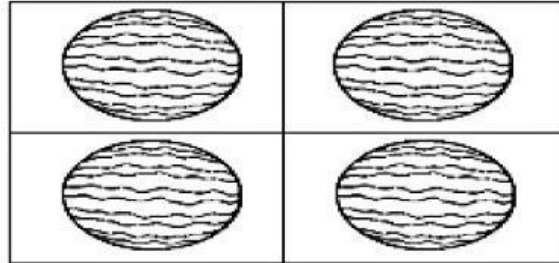

5. Veamos cuánto vale los números:

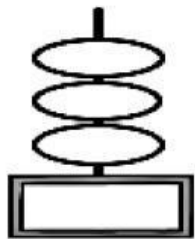

CUENTA
