Instruments	Genres
microphone	reggae

2 ☆☆ **Look at the band members (1–8) in the picture and complete the text with words from Exercise 1.**

There are eight of us in our band. Bruno plays the [1] *drums*. We've got Janina on [2] _____ and her brother Stefan plays the [3] _____. Rob plays the [4] _____ and he's really good! Sally's just started to play the [5] _____, but we love her and she's learning fast. Simon's a classical musician, but he plays an electric [6] _____ with us. He's really talented. Ramon plays the [7] _____ and that's Katie at the front. She's our singer, of course, and she doesn't really need that [8] _____ – she's got a great voice!

3 ☆☆ **Match the photos with the musical genre words in Exercise 1.**

1 *rock*

2 _____

3 _____

4 _____

5 _____

6 _____

4 ☆☆ **Which word in each group does not follow the same stress pattern?**

1 (●) folk bass reggae drums
2 (●●) reggae guitar trumpet keyboard
3 (●●●) violin classical microphone saxophone

5 ☆☆☆ **Think of an example of a song or piece of music for each musical genre in Exercise 1. Use the Internet to help you if necessary.**

Explore it!

Guess the correct answer.

The world's longest officially-released song is *The Rise and Fall of Bossanova*. It is about *3 / 13 / 23* hours long.

Find another interesting fact about a song. Then send a question in an email to a classmate or ask them it in the next class.
