

Cardigan

Taylor Swift

Vintage tee, brand new phone
High heels on cobblestones
When you are young, they assume
you know nothing
Sequined _____, black
_____, sensual politics
When you are young, they assume
you know nothing

But I knew you
Dancin' in your Levi's
Drunk under a streetlight, I
I knew you
Hand under my sweatshirt
Baby, kiss it _____, I

And when I _____ like I was an
old cardigan
Under someone's bed
You _____ me on and _____
I was your favorite
