

Name _____

I wrote down all the things that I must do today, but it's a little confusing. I know I need some commas, but I don't know where they go!

Put commas into the sentences where they belong.

1. Remember to feed the dog goldfish cat and parrot.
2. Pick up peanut butter dog food carrots and juice at the grocery store.
3. Call the Vet Stanley Marcy and Bob.
4. Clean the kitchen bathroom and living room.
5. Write Thank You notes to Tess Stanley Martha and Joe for the gifts.
6. I have homework in reading writing math and spelling.

Not to worry Sally Citizen!
Don't forget to use
commas between words in
a series!
Don't forget your cape, boots,
belt, and mask today!
