

1. Listen to the song: are the words in bold right or wrong? Write R or W.
2. Listen again and correct the wrong words.

I've always been the kind of **young**
That hid my face
So afraid to tell the world
What I've **got** to say
But I have this dream
Right inside of me
I'm gonna let it show, it's time
To let you **know**
To let you know
This is real, this is me
I'm exactly where I'm supposed to be, now
Gonna let the light shine on me
Now I've **found** who I am
There's no way to hold it in
No more hiding who I want to be
This is me
Do you **know** what it's like
To feel so in the dark?
To dream about a **living**
Where you're the shining star?
Even though it seems
Like it's too far away
I **keep** to believe in myself
It's the only way
This is real, this is me
I'm exactly where I'm supposed to be, now
Gonna let the light shine on me
Now I've found who I am

There's no way to hold it in
No more hiding who I want to be
This is me
You're the voice I hear inside my head
The reason that I'm singing
I **need** to find you, I gotta find you
You're the missing piece I need
The song inside of me
I need to find you, I gotta **find** you
This is real, this is me
I'm exactly where I'm supposed to be, now
Gonna let the light shine on me
Now I've found who I am
There's no way to hold it in
No more hiding who I want to be, yeah
This is me
You're the missing piece I need
The **singing** inside of me
(This is me, yeah) You're the voice I hear inside my head
The reason that I'm singing
Now I've found who I am
There's no way to hold it in
No more hiding who I want to be
This is me
