Name: Katherin Lissette Baren Vera.

Listen to the song and correct the words in bold, if it is correct, place the letter R, otherwise place the letter W and in the space write its correct form.

It's you, it's always you

If I'm ever gonna fall in love, I **know** it's gon' be you

It's you, it's always you

Met a lot of people, but **nobody** feels like you

So please don't **break** my heart, don't tear me apart

I know how it starts, trust me, I've been broken before

Don't break me again, I am delicate

Please don't break my heart, trust me, I've been **broken** before

I've **been** broken, yeah, I know how it feels

To be open and then find out **your** love isn't real

I'm still hurting, yeah, I'm hurting inside

I'm so **scared** to fall in love, but if it's you, then I'll try

It's you, it's always you

If I'm ever gonna fall in love, I know it's gon' **be** you

It's you, it's always you

Met **a lot** of people, but nobody feels like you

So please don't break my heart, don't tear me apart

I know how it starts, **trust me**, I've been broken before

Don't break me again, I am delicate

Please don't break my heart, trust me, I've been broken before

I know I'm not the best at **choosing** lovers (oh)

We both know my past **speaks** for itself (for itself)

If you don't think that we're right for each other (baby, no)

Then please don't let history repeat itself

'Cause I want you, yeah, I **want** you, yeah

There's nothing else I want

'Cause I want you, yeah, I want you, yeah

And you're the only **thing** I want
