

## Commas

Using commas to separate items in a list.

Choose the correct sentence.

When commas are used to separate items in a list, a comma is placed between each individual item in the list, except for the last two items, which instead are separated by the word and.

Fatima likes apples pears and bananas.

Omar's favourite colours are blue green and white.

Sara would like to have a cat bird and hamster for pets.

My grandma auntie cousin and friend are coming to visit us.

My favourite flavours are vanilla strawberry bubble gum and banana.

I live with Saif Omar Dad and Mum.

My house has eight windows ten doors and five people.

My friends are Sheika Eissa Nada and Sultan.

I have a bed table computer and chair in my bedroom.

There is a sink fridge table and food in the kitchen.
