

**2**  **29** Listen to an extract of the audio again. What did Maitha used to think about climate change?

- a** It's a big issue, but anyone can make a difference even with small changes.
- b** Climate change is such a big problem that one person could not make a difference.
- c** The UAE is affected by climate change and everyone should try to make a difference.

**3** Which statement in Activity 2 do you most agree with? Do you agree with Maitha? Why/Why not?
