It was Sunday and Leo was visiting a ruin with his dad. 'Why did we come here? It's boring', said Leo. 'Because I love ruins', said his dad. 'Sometimes you find interesting things in the mud.' 'Like what?' asked Leo. 'Like old pots and bowls. One person even found a ring here last year. Do you know people used rings to buy things in the past?' said Dad. 'I don't think there's anything interesting here. It's just rocks', said Leo and he moved one of the rocks with this foot.

Suddenly, under the rock, Leo saw something. 'Dad!' he shouted. 'I found treasure!' Leo's dad looked at the old silver coin in his son's hand. 'I think we need to call the museum', he said.
