

Special Days

My name's Vy, and I'm from Viet Nam. My favorite day in the school year is Spring Festival. Schools usually have this festival early in the year when the weather is not too hot, often around Vietnamese New Year. We decorate the school using some spring flowers and play some fun games with our teachers. There is usually delicious food and even sweets! Some children play music or do dances for everyone to watch. Our parents usually come, too. The teachers give prizes for children. Everyone has lots of fun.

Hi. I'm Ji-min. In Korea, we have a special day called "Sports Day". We usually have Sports Day in the fall, because the weather is cooler then. It's too hot to run races in the summer. There is a big rehearsal on the day before Sports Day, to make sure that everything will go

well the next day. We practice our races and events on the school field. The teachers always make sure that we drink lots of water, because we get hot from all the exercise. There are races for the students, the parents, and even the grandparents. It's a wonderful day, and we all enjoy it.
