

NOMBRE: _____ AULA: _____

Identifica los botones de la barra de herramientas de Google Documentos y relaciónalo con lo que significa.

CAPACIDAD: Gestiona información del entorno virtual, relacionando objetos con su descripción

The image shows the Google Docs interface with several toolbars and buttons highlighted by colored boxes and arrows for identification:

- Top Bar:** A red box highlights the "Documento para Presentar" button. A yellow box highlights the "Archivo", "Editar", "Ver", "Insertar", "Formato", "Herramientas", "Extensiones", and "Ayuda" menu bar. A green box highlights the "Historial" (clock icon), "Comentarios" (speech bubble icon), and "Compartir" (person icon) buttons.
- Formatting Toolbar:** A green box highlights the search, undo, redo, print, and zoom (100%) buttons. A blue box highlights the text color (A), font family (Arial), and font size (11) settings. A red box highlights the bold (B), italic (I), and underline (U) buttons. A yellow box highlights the text background color (A) and the link (G) button. A purple box highlights the bulleted list (three horizontal lines) and numbered list (1, 2, 3) buttons. A blue box highlights the indent (two horizontal lines) and outdent (two horizontal lines) buttons. A brown box highlights the decrease indent (two horizontal lines) and increase indent (two horizontal lines) buttons. A black box highlights the link (G) and unlink (G with slash) buttons. A grey box highlights the insert table (table icon) and insert drawing (pencil icon) buttons.
- Bottom Toolbar:** A red box highlights the font family (Arial) and font size (11) settings. A yellow box highlights the bold (B), italic (I), and underline (U) buttons. A blue box highlights the bulleted list (three horizontal lines) and numbered list (1, 2, 3) buttons. A purple box highlights the indent (two horizontal lines) and outdent (two horizontal lines) buttons. A brown box highlights the decrease indent (two horizontal lines) and increase indent (two horizontal lines) buttons. A black box highlights the link (G) and unlink (G with slash) buttons. A grey box highlights the insert table (table icon) and insert drawing (pencil icon) buttons.
- Table:** A yellow box highlights the table icon. A blue box highlights the table structure (rows and columns).
- Watermark:** A large "LIVEWORKSHEETS" watermark is visible in the bottom right corner.
