

HONESTY –Billy Joel

If you search for tenderness
It isn't hard to
You can have the love you need to
But if you look for truthfulness
You might just as well be
It always seems to be so hard to
Honesty is such a word
Everyone is so
Honesty is heard
And mostly what I need from you
I can always find someone
To say they
If I wear my heart out on my sleeve
But I don't want some pretty
To tell me pretty
All I want is someone to
Honesty is such a lonely word
Everyone is so untrue
Honesty is hardly ever heard
And mostly what I need from you
I can find a
I can find a
I can have security until the end
Anyone can me
With promises again
I know
I know
When I'm inside of me
Don't be too
I won't as for nothin' while I'm gone
But when I sincerity
Tell me where else can I
Because you're the one I upon
