| 2. The woman feels angry / excited. | 2. The woman feels bored / sad. |

E. Read the sentences. Number them in the correct order to form a paragraph.

Then I met another girl, and she was going to the same building.
When I arrived there, I couldn't find my dormitory.
I'll always remember my first day at college.
I was really worried about finding my way around the campus.
We became best friends!
It turned out that we were neighbors.

F. Read the paragraph and choose the best topic sentences. Then finish the two concluding sentences with your own ideas

- a) One of my best memories is spending a summer in Argentina.
- b) I used to study Spanish at school.
- c) I was very good at languages.

I was studying Spanish and I had decided to spend a month in Argentina with a host family. At first, I was kind of nervous. Although I had studied Spanish for two years, I hadn't actually spoken to anyone from Argentina before. The family had never met anyone from U.S.A., so they thought I was very interesting! Gradually, I became more confident and I loved staying with them so much that I didn't want to go home!

Afterward, we _____.

When I think back to that time, I realize that

_____.
