Listening 3

Listen to the conversations and fill in the blanks.

1.

A: Can I try on that (1), please?

B: This one?

A: No, not the one with the (2)sleeves. The other one.

B: Here you are.

A: Thanks. Can this be machine washed, by the way?

B: No, it's (3), so you should dry-clean it. It's not a good idea to wash it by hand or machine-wash it.

2.

A: I'd like to buy some (4)

B: Which ones? These big ones?

A: No, those are too big. Do you have any smaller ones?

B: How about these?

A: Yes, they look like a better size. Can they be used for air mail (5)?

B: No. These are meant for (6) mail.

3.

A: Can I see that (7), please?

B: The one with the (8) band?

A: No. The one with the (9)band. Is this a man's watch? I'm looking for a gift for my (10)

B: Actually, anyone can wear it. It's not just for a man.

A: Hmm. It's nice.

4.

A: I love that **(11)**

B: I'm not crazy about **(12)** myself.

A: No, no – the **(13)** and white one.

B: Oh. I don't like that, either.

A: It's kind of fun. It's for my **(14)** birthday. He likes things that are a little different.

5.

A: Can I see that **(15)**?

B: The one without the **(16)**?

A: No, the other one.

B: Here you are.

A: What fabric is this? Is it **(17)**?

B: I think it's a linen and **(18)** blend.

6.

A: I'd like to get some **(19)**

B: How about these **(20)** ones?

A: I don't think they're very sweeter.

B: Okay. Let's get some of these **(21)**ones.
