##### 1. Fill in the numbered blanks with the words from the box to complete the passage. (1.0 points)

<b>factories</b>	<b>danger</b>	<b>cutting</b>	<b>affects</b>
------------------	---------------	----------------	----------------

We are slowly destroying our earth. Firstly, we are (19) \_\_\_\_\_ down more and more trees for many reasons. We need trees to build houses, to clear land for different uses or to cook food. If we cut down more trees, there will be more floods. Secondly, we are producing too much dirty smoke. Smoke comes from motor vehicles and (20) \_\_\_\_\_ in many parts of the world. It pollutes the air and (21) \_\_\_\_\_ our health. Wastes from factories around the world harm also our land and water. We might not be able to grow enough food to eat in the future. We might not have enough fresh water to use. Our earth is in (22) \_\_\_\_\_. If we don't work together to save the earth now, it will be too late.

##### 2. Read the following passage and circle the letter A, B, C, or D to indicate the correct answer to each of the questions.

A robot cannot think or do things alone. People use a computer to control it. Today, robots are not very popular because they are too expensive, but they are very useful. They can help us save a lot of time and work. A robot can do the same work for 24 hours, and yet, it does not complain or get tired. In the US, people use robots to guard some important places. These robots can listen to certain noises and sends signals for help if there's trouble or danger. In Japan, people use robots in factories to build cars. In the future, scientists will design many types of intelligent robots. Their robots will be able to do many more complicated things. However, some people do not like robots. They fear that one day robots will be too powerful.

23. Why do people use a computer to control a robot?

- A. Because it can save time and work.
- B. Because it cannot think or do things alone.
- C. Because it is too expensive.
- D. Because it is very useful.

24. Which of the following statements is NOT TRUE according to the text?

- A. People use computers to control robots.
- B. Robots cannot do the same work for 24 hours.
- C. Robots do not get tired of working.

**D. People use robots to guard some important places**

**25.** In Japan, people use robots in factories to \_\_\_\_\_.

A. guard important places      B. do many more complicated things
