Scan the text «Running wild» page 154 – 155 and fill in the missing words.

Little by little, Will has learnt how to in the .

What happened nest took me by surprise.

She kept up at me, then .

She my hand at first, looking back at her mother for .

The lifted my hand to her nose, , touching it with her lips as she did so before letting it fall.

I was hoping she wouldn`t to have a greb at it, and try to yank it off.

That`s my ear you`ve got there, I said .

It seemed the thing to do.

In fact, you and me, we`re much .

There was in her face that me.

I could be every bit as animal as she was .
