My name's Lucy Beale and I live in London. My dad's got a chip shop and we live in the flat above it. The chip shop is my home, my workplace and a great place to hang out with my friends. During the week I usually wake up at 6.30 and help my mum at the shop. I clean the tables and she cleans the floor. Then I go to school. I get home at about 4.00 in the afternoon. There aren't usually many people in the shop at that time, so I do my homework there. Then I have dinner. I rarely have fish and chips because I'm bored of it. In the evening my friends sometimes come to the shop. We play video games or just sit around and talk. I don't work at the shop every evening. I work three times a week. Twice a week I work till 8 p.m. and once a week, on Saturdays, till 10 p.m. I enjoy working at my dad's chip shop, but every evening I always have a long shower because I smell of fried fish! I hate it!
