

Ours – Taylor Swift

Elevator buttons and morning air
Strangers' silence makes ___ wanna take
the stairs
If ___ were here ___ 'd laugh about ___
vacant stares
But right now ___ time is theirs

Seems like there's always someone who
disapproves _____ 'll judge it like they
know about ___ and _____
And the verdict comes from those with
nothing else to do
The jury's out, but ___ choice is ___

So don't _____ worry _____ pretty, little
mind
People throw rocks at things that shine
And life makes love look hard
The stakes are high, the water's rough
But this love is _____

_____ never know what people have up
_____ sleeves
Ghosts from _____ past gonna jump out
at _____
Lurking in the shadows with _____ lip
gloss smiles
But __ don't care 'cause right now
you're _____
