Complete the summary using the list of words, A–R, below.

The debate as to whether graffiti constitutes art is **1** ..... the establishment in Great Britain. While one group of "graffiti artists" were being sent to prison, in an art gallery not far from the court the work of several major street artists was being **2** ..... on the side of the gallery facing the river. The street artist Bansky is responsible for **3** ..... street art, leading to **4** ..... by the younger generation. London has been described as the centre of street art in the world, but ironically at the same time the **5** ..... there are greater.

Whether graffiti artists are considered as **6** ..... to be imprisoned or not depends on which country they are in. For instance people in Brazil are **7** ..... about street art. So the question is whether street artists should be **8** ..... as wrongdoers or **9** ..... as artists.
