Subject: School magazine

Dear Mrs Young,

In Class 3B we are going to make a monthly school magazine. We saw an <sup>1</sup> \_\_\_\_\_ in the town newspaper last Monday for a competition and we want to enter. We have to include different sections. There is a page for a <sup>2</sup> \_\_\_\_\_ of a film, a page with <sup>3</sup> \_\_\_\_\_ about school activities, like sports matches or concerts, and a page for an <sup>4</sup> \_\_\_\_\_ about any topic we want – perhaps something on the new school science lab? One of the students, Tess Williams, can draw very well, so she can draw a great <sup>5</sup> \_\_\_\_\_ of our class! We would also like to include an <sup>6</sup> \_\_\_\_\_ with you. Can I come to your office and ask you some questions? The <sup>7</sup> \_\_\_\_\_ for this could be 'A DAY IN THE LIFE OF OUR HEADTEACHER'. We would like a <sup>8</sup> \_\_\_\_\_ of you as well. Can we take one?

Thank you very much,  
Harry Dawson (class 3B representative)
