Where You Get Your Food

Many people today prefer to eat local food from local farms. Small local farms produce fruit and vegetables and raise animals for milk and meat. People can have fresher food because these farmers grow it locally. There isn't space to have farms in cities. One way to grow food in a city is on a roof. You can grow vegetables on a roof! The food is fresh and delicious.

Example: Some people today d

1. Food from local farmers _____
2. There isn't space to have farms _____
3. In cities, you can grow vegetables _____

a. on the roof.

b. is fresher.

c. in cities.

d. eat local foods.

5 What do you think about big farms and small farms? Give your opinion. Write two to three sentences. Use words like *I think, in my opinion* and *I believe.*
