

Left on Mars

There was a 1_____ climbing a hill on a winter's night

Face up to 2_____ above and taken by the sight
Time slowed down under the blessing of the skies
Of dying stars and their 3_____ years of light
Billion years of light

I flew 4_____ the void of space in a waking dream

Astride a fusion flame I'm finally redeemed
To find the 5_____ that transcend the bounds of time
To hear the heavens sing and reach the
6_____

Do you 7_____ that my heart still holds the rage,
no

And I've turned page after page
I never chose to be an 8_____, no
I'm just looking for a home (x3)
I know I'm 9_____ left on Mars

I see the star that 10_____ us life in the rusted sky
The hills turn crimson as I take your hand in mine
I always 11_____ this place was safe and I was wrong

You chose to cross the void for me
I was made strong

I think you know that my heart still holds the rage, no
But you still 12_____ in me
And I choose the mercy of your heart
I'm just looking for a home
(I'm just looking for a home)
There together we'll find home
Alone together left on Mars
