I like to go to my local park on the weekend because I don't have to go to school. I meet my friends at the entrance and we play soccer. The park is great. You can't play video games in the park, but you can eat a packed lunch in the picnic area or you can play with your friends in the playground. But my favorite place is the petting zoo. I like animals a lot. You can see rabbits and hamsters at the petting zoo. You can touch the rabbits, but you have to get permission. You can't touch the hamsters. They're asleep in the day.

Hi Lucy,

I'm having a great vacation in Thailand. There's a big market across from my hotel. It's called Damnoen Saduak and it's a floating market. There are a lot of boats. You can buy fruit, vegetables, flowers, clothes, and much more at the market. I like the fresh fruit — my favorite kinds are the melons, bananas, grapes, and oranges.

Money in Thailand is called the baht. There are coins for one, two, five, and ten baht. I have 20 baht. I want to buy some banana bread as a surprise for my mom. It's ten baht at the market. I can buy two!
