Now Let's Practice writing, starting with sentences.

Look at each question. Answer each question with a complete sentence in the blank provided. Do not worry about the answer being correct. You are not being tested on what you write. Each answer needs to be a complete sentence. You can use words from the word bank if you want.

Word bank:	
Star	planets
Sun	air
Moon	Sky
Cloud	

Example: What is this a picture of?

Wrong answer: day and night

Correct answer: This is a picture of day and night.

1. How many stars are in the sky?
2. How many suns are in the sky?
3. What else is in the sky?
4. What does the sky look like at your house today?

1.

2.

3.

4.
