Hi!

Here's a picture of me with my favourite things. This is my bracelet. It's from Kenya.

It's cheap but it's nice. These are my trainers. They're expensive. They aren't the same as my friends' trainers. They're different!

This is my dad's skateboard. It isn't mine. I like it!

It's cool. Tell me about your favourite things.

Bye,

Eric

My Summer

Hi, I'm Harry. My summer is always cool! I go to summer camp with my friends in July. We take our backpacks. At camp, we study English in the morning. In the afternoon, we play volleyball. We take our skateboards to the park. We can't take our phones to camp. We can't go online! That's horrible! In August, I go to the beach with my family. Our beach house is nice. I go snorkelling and canoeing. We laugh! I take my headphones to the beach. It's quiet. We never have dinner at home. I like the summer!
