Teaching communication skills

What ¹**can be done** (can/do) to teach communication skills in school? The question ²_____ (answer) by one school in the north of England. At St Andrew's School, teachers believe that students ³_____ (must/teach) how to communicate properly. They have special classes where students ⁴_____ (show) how to introduce themselves, how to give presentations and the importance of eye contact. These classes started last year, when teachers noticed some students were having difficulties in speaking exams. Marks ⁵_____ (lose) in exams because of communication problems.

Since then, a number of additional workshops ⁶_____ (design) to help students practise these communication skills. One of the activities the pupils ⁷_____ (give) is to prepare a short presentation. Students ⁸_____ (record) by their partner using a mobile phone. The phones ⁹_____ (swap) and they give each other feedback. Students find it useful when they get feedback from another student, rather than the teacher or the whole class, because it creates a 'safe' environment.
