

**Doctor:** What seems to be

, Mr Burke?

**Patient:** My body

, I have a runny nose

and

. I feel

.

**Doctor:** I see. Yes, your temperature is

, too.

You have

. It looks like you have the flu.

Do you have any allergies?

**Patient:** I don't think so.

**Doctor:** OK, great. I'm going

some medicine.

Please take it

every day.

Once in the morning and

once

. You should feel better in a few days.

**Patient:** Great, thank you.
