

LENGTH MEASUREMENT WITH A RULER

FOR 1ST GRADE

WORKSHEET

WATCH THIS VIDEO!

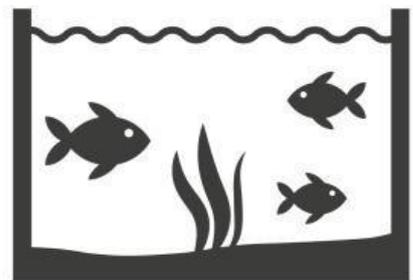

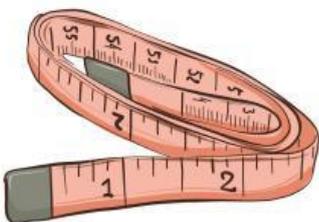

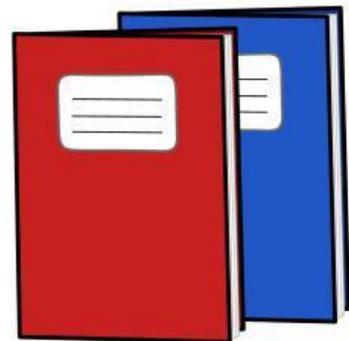

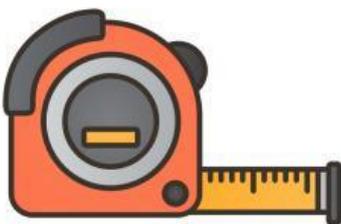

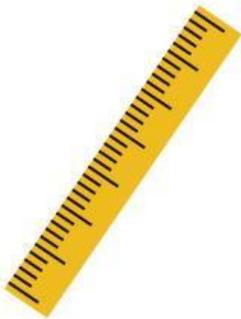

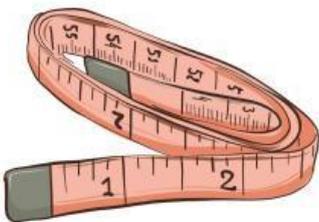

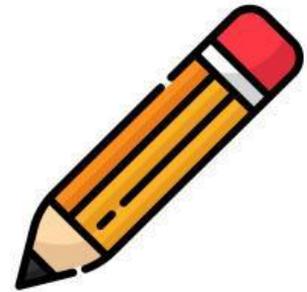

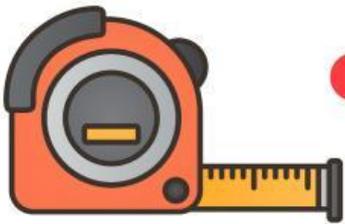

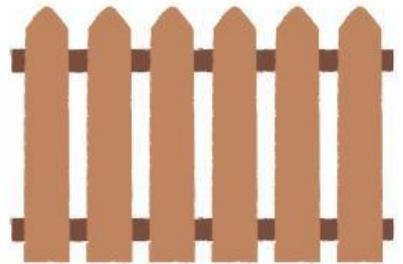

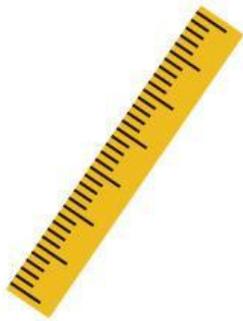

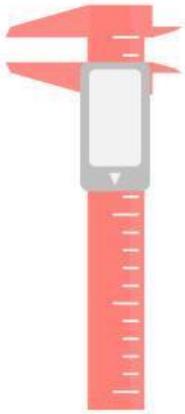

NAME :

CLASS :

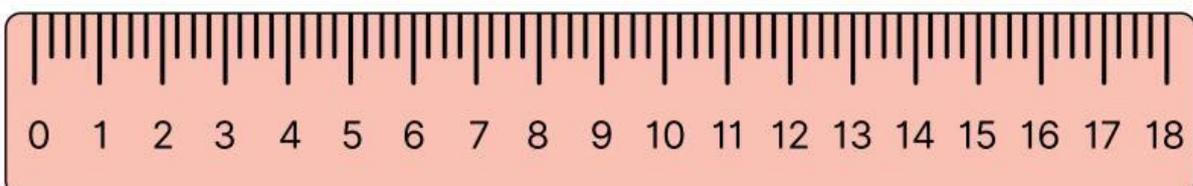

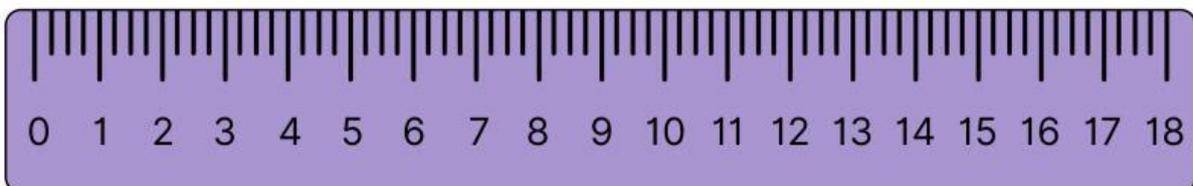

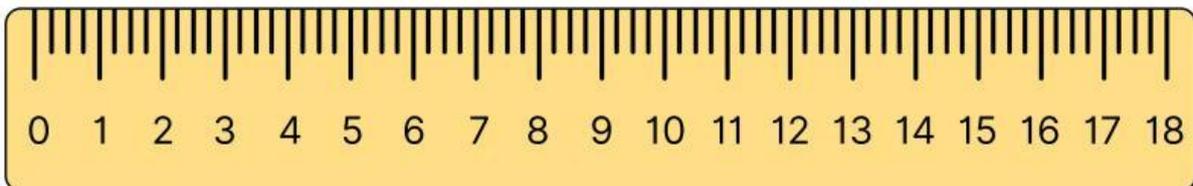

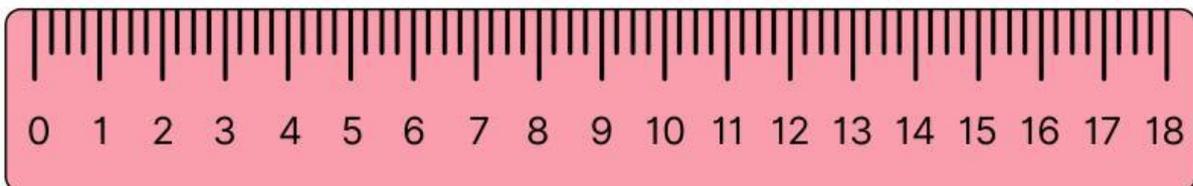

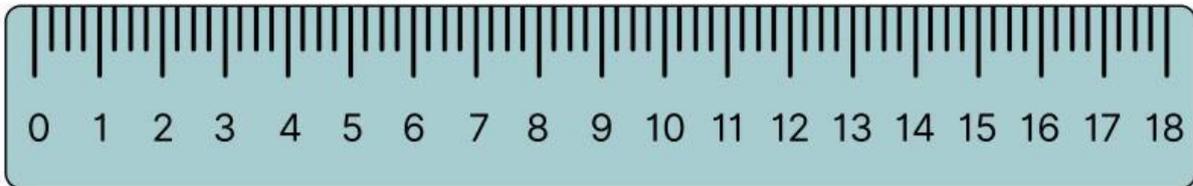

NUMBER STUDENT :

Match the following objects by correctly drawing a connecting line between the drawing of the standard measuring instrument and the drawing of the object!

Move the pencil to help measuring using the ruler then type the answer into the box:

Measurement

Measure the length of each pencil and write it in the box.

Observe objects that you often encounter at school or at home.
Collect the objects you find!
Try measuring the object using a ruler or meter
Record your observations in the observation table column!
Write in length units in cm
