Yesterday I texted my best friend Paul and we decided to go to the shopping centre. We didn't walk. We took the bus. We went shopping. Paul needed a new memory stick, but he didn't buy any! He didn't like them. At 1:00 pm, we ate rice and chicken at a new restaurant. It was delicious! Then we bought tickets to the cinema and saw the film *Pacific Rim*. We walked back home. We had a great time!

2 Mark these sentences as True or False.

3 Look at the verbs in the past form in the text.

Classify them into **REGULAR** or **IRREGULAR** in this table. Drag and drop them next to their infinitive form. Be careful with the negative (-) form and the affirmative (+) form.

REGULAR		IRREGULAR	
INFINITIVE	PAST FORM	INFINITIVE	PAST FORM
text		take	
decide		go	
walk (-)		buy (-)	
need		eat	
like (-)		to be	
walk (+)		see	
		have	
		buy (+)	

4 Now complete the **RULES** with the words in the box.

PAST SIMPLE: REGULAR AND IRREGULAR VERBS

- The past form of verbs ends in -ed.
- The past form of verbs is for each verb.
- The past form of both regular and irregular verbs is form with didn't (did not) + the form.

affirmative	regular	irregular
negative	different	infinitive
		affirmative
