Task 4. Read the paragraph and choose a, b or c.

London is the capital of the UK. It was founded in 43 AD. Around 9 million people live there, and it is the largest city in the country. Millions of tourists visit London every year. Its landmarks - the House of Parliament, Big Ben, Buckingham Palace, Tower bridge over the Thames and many others - all make great sights for taking photos. There is also a huge variety of museums and galleries for you to learn about the British history and culture. In addition, you can take a ride on the London Eye, one of the highest wheels in the world, or visit the Sea Life London Aquarium. Various cafes and restaurants in the capital offer you different cuisines and not only just English.

Shopping is also a popular activity in London with all the famous shops there. The most fascinating shopping area is Covent Garden - you can find anything there! The list of activities to do in this city can go on and on. It is no surprise that many people say, "When a man is tired of London, he is tired of life".
