

PROFESSIONS

1. READ ABOUT SARAH, RICK AND MARK, AND ANSWER THE QUESTIONS

Hi! My name is Sarah and I live in Italy. I'm a First-Grade teacher and I love to teach and to spend time with children. I teach from 8:00am until 2:30pm from Monday to Friday. I am also a softball coach after school and on the weekends. I'm always busy but that's the way I like it!

Hello! I'm Rick and I'm a policeman in the United States. When I'm on duty, I drive around the city in my patrol car,

respond to *911 calls, and arrest criminals. At the end of my shift, I go back to the police station and write a report.

Hey! My name is Mark and I'm a chef. I work in an Italian restaurant and cook in the kitchen all afternoon and night. I have many people in the kitchen that help me to cook when the restaurant is busy. My specialty is Lasagna Bolognese. I love cooking!
