The Friends' Club

Jody

Hi, I'm Jody and I'm fourteen years I have a brother, Harry, and a cat, Felix. Felix is adorable.

 He can jump from the table and climb tall trees. Carlos and Nadia are my friends. We go to school together. I love films so I want to be a film director when I grow up.

Nadia

My name's Nadia and I'm fourteen. I love dancing, music and fashion. I want to be a dancer when I grow up. This is a photo of me. My favourite month is December because I'm happy and on holiday. It's my birthday, too.

Carlos

My name is Carlos and I love sports. I'm thirteen years old. My dad's Brazilian and my mom's British. I have one brother, Paulo. I usually eat healthy food. My favourite food is chocolate! 😊

1) Read "The Friends' Club" and decide if the sentences are true (T) or false (F).

Lee The Friends' Club y decide si las oraciones son verdaderas o falsas. Elige la opción correcta.

Example: *ejemplo*

Jody is 14 years old. ...TRUE..

- a) Jody has a pet.
- b) Nadia likes dancing.
- c) Her birthday is in July.
- d) Carlos lives in Brazil.
- e) He likes pasta.

2) Read the text again and answer the questions.

Relee el texto y responde las preguntas.

What does Jody want to be when she grows up?

Can Felix climb trees?

Does Carlos love chocolate?
