Going to the airport

My name's Nick. Last summer I went on holiday with my parents and my sister, Holly. We got up early in the morning because we were going by plane. We packed our suitcases the night before. The next morning Dad woke us all at six o'clock! Holly and I ate some cereal and yoghurt, then we were ready to go. We were really excited!

Dad decided to take the motorway to the airport. We were worried about the time because there were so many cars in front of us so Dad was driving very slowly. It was foggy too and Dad couldn't see very well at all. Suddenly, there was a loud noise as Dad hit the car in front of us. We weren't going fast so it wasn't a bad accident but the man in the other car was very unkind and shouted at Dad. That was frightening. He asked Dad for our address and Dad wrote it down for him on some paper. Then Dad started driving again, very carefully!

When we arrived at the airport we were late and Mum said 'We've missed the plane now!' She was very angry too. Poor Dad! But when we got inside the airport Mum found that our plane was still there. She was pleased about that. So we had a sandwich and a drink at the airport café. And we had a really amazing holiday!
