Meeting at the Airport

Ronaldo is very happy. His family is coming to visit. They are from El Salvador. It will be their first time in the United States. Ronaldo told his family that he will be at the airport to meet them. But now he has a problem. He can't go to the airport because he needs to work that day. He calls his friend Peter and asks Peter to meet his brother and sister-in-law at the airport when they arrive.

Peter says, "Of course! I am happy to help you. But I don't know your family. How can I recognize your brother and sister-in-law?" Ronaldo says, "No problem. I can describe them."

Ronaldo tells Peter that his brother Jose has straight black hair and brown eyes. He has a beard and a mustache. He is medium height and heavy. He is 30 years old. Jose is very friendly and always has a big

smile. Ronaldo also tells Peter about Jose's wife, Luisa. She is tall with curly brown hair and brown eyes. She is very thin. She is younger than Jose. She is 22 years old. She is very shy and quiet.

Peter listens to the information. He thinks it will not be easy to find Jose and Luisa at the airport. Many people look the same. He has a better idea. Maybe he will make a sign with their names on it.
