

Pete!

Yes, Andy?

I really want to eat  fruit.

You really want to eat  fruit?

Yes. Look in the fridge, will you?

Are there  peaches?

And are there  cherries?

I need them for my salad.

I also need  berries.

All these fruits, fruits, fruits

Are so good, good, good

All these fruits, fruits, fruits

Are so good, good, good

Mmmmm

Mmmmm

I'm sorry, oh so sorry.

We've got  beans,  carrots.

We haven't got  berries,

We haven't got  cherries.

All these fruits, fruits, fruits

Are so good, good, good

All these fruits, fruits, fruits

Are so good, good, good

Mmmmm

Mmmmm

Whoa!

Are there  apples?

Or  kiwi fruit?

Are there  nuts?

Yeah, nuts would be so good.

Are there  grapes?

I'd love a juicy bunch.

I want to make a fruit salad

And eat it for my lunch.

I'm sorry, oh so sorry.

We've got  onions - oh

And also  tomatoes

But fruit? So sorry, no!

(We've only got  vegetables.)

We've got no fruit, fruit, fruit.

That's not so good, good, good.

We've got no fruit, fruit, fruit.

That's not so good, good, good.

We've got no fruit, fruit, fruit.

That's not so good, good, good.

We've got no fruit, fruit, fruit.

That's not so good, good, good.

Oh no!

Oh no!

(Let's have  ice cream then. Oh yes!)
