

Choose the describing words below to complete the poem.

soothing	bottle	hot	sudden	summer	tickles	sliding
Fizzy	cold	rushing				

Ice Cream and Fizzy Lemonade

Ice cream is sliding, soft and
And gives a smooth and soothing coat
On days
To the back of your throat.
 lemonade looks like water
But as you unscrew the top
Bubbles crowd together in froth
With a sound and a pop.
It prickles and your nose
And tingles the back of your throat
That needs another soft ice cream
To give it back a smooth and coat.
