

What's your favourite wild animal?

Task 1. Watch and note down what wild animals people mention.

1. _____
2. _____
3. _____

Task 2. Listen and complete the collocations and words.

1. In my country, in the _____, you can just be face to face with a _____. But you are on his territory. You should know how to move. But when you look in his eye, you know, it's like an old person, with all the wisdom.
2. Ok, I would go with _____. They are familiar with _____. Tigers can be nice, I guess. You can make contact with _____.
3. They have a very interesting personality. Each one, each and every one of them.
