MATHEMATIC

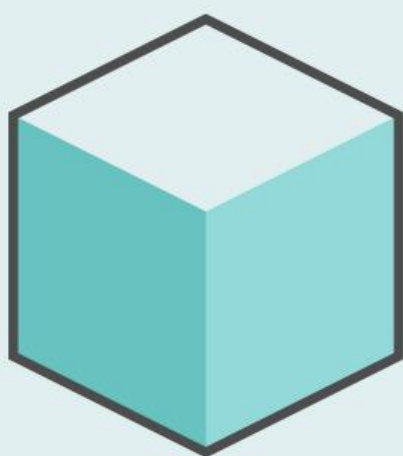

MATERIAL

Measure the length of the side and complete the filling in the table according to the pattern you made!

Flat Name	Measurement	Measurement results
Square ABCD	Length of side AB	... CM
	Length of side AD	... CM
EFGH Rectangle	Side length EF	... CM
	The length of side EH	... CM
KLM Triangle	Side length KL	... CM
	Length of side LM	... CM
	Side length KM	... CM

Mention the characteristics of flat shapes below!

A. Square ABCD

B. EFGH Rectangle

C. KLM Triangle

D. Circle
