Hi Helen

I'm having a great holiday! I'm making sandcastles at the beach with my sister.

My sandcastles are bigger than hers. She likes collecting shells, but I don't enjoy that.

I want to play volleyball with Dad. He's good at volleyball because he's taller than me.

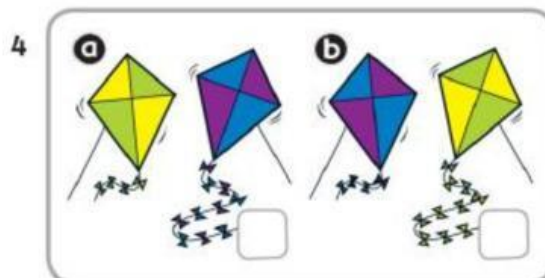

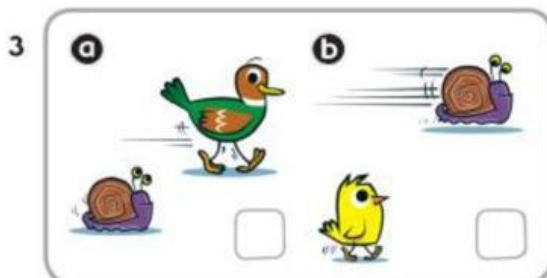

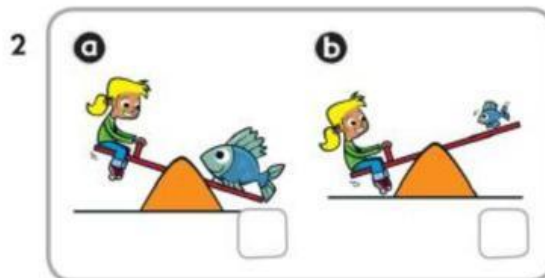

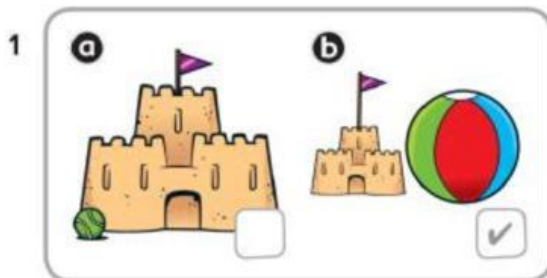

We're having a picnic for lunch, and Mum says we can buy an ice cream at three o'clock.

I've got a new Frisbee. It's fun!

See you soon, Jo
