Reading

1 Read the review, then answer the questions.

1 Did Amy buy a cell phone?

2 Does Amy like it?

Last month I got the new Zphone 8 and I love it. It looks great and it's easy to use. Here are some of the pros and cons:

It's light and it has a large screen so it can display more information. The big screen makes it very easy to see what I'm reading. This is good when I look up things on the internet. Also, it's a little bigger than the Zphone 7 and I can look at photos easily. The camera is excellent too. It works really well. The main disadvantage is the battery life. It doesn't last very long if you want to play games or film videos.

In conclusion, I think that the Zphone 8 is great. It's quite expensive, but I would recommend it!

2 Read the review in exercise 1 again and circle (T) true or (F) false.
