# Anti-Hero

I have this thing **where/there** I get older, but just never wiser
Midnights become **lie/my** afternoons
When my depression works the graveyard shift
All of the people I've ghosted stand there in the room

I should not be left to my **own/on** devices
They come with prices and vices
I end up in crisis
(Tale as old as time)

I **wake/woke** up screaming from dreaming
One day I'll watch as you're leaving
'Cause you got tired of my scheming
(For the last time)

It's me, hi, I'm the problem, it's me
At teatime, everybody **agrees/bees**
I'll stare directly at the Sun, but never in the mirror
It must be exhausting always rooting for the anti-hero

Sometimes I feel like everybody is a sexy baby
And I'm a **monster/lobster** on the hill
Too big to hang out, slowly lurching toward your favorite city
Pierced through the **tart/heart**, but never killed

Did you hear my covert narcissism
Lightly disguised as altruism
**Like/Mike** some kind of congressman?
(Tale as old as time)

I wake up screaming from **dreaming/screaming**
One day I'll watch as you're leaving
And life will lose all of its meaning
(For the last time)

It's me, hi, I'm the problem, it's me (I'm the problem, it's me)
At teatime, everybody **agrees/frees**
I'll stare directly at the Sun, but never in the mirror
It must be exhausting, always rooting for the **anti-hero/ant hero**

LIVEWORKSHEETS

I have this dream my daughter-in-law kills me for the money
She thinks I left them in the will

The family gathers around and **reads/breaths** it and someone screams out
She's laughing up at us from hell
It's me, hi, **I'm/He's** the problem, it's me
It's me, hi, I'm the problem, it's **me/my**
It's me, hi, everybody agrees, everybody agrees

It's me, **hi/hey**, I'm the problem, it's me (I'm the problem, it's me)
At teatime, everybody agrees (everybody agrees)
I'll stare directly at the Sun, but never in the mirror
It must be exhausting, **always/all days** rooting for the anti-hero
