

A. Read the text and complete the activities below.

My Town

I live in a small town called Oakville. It's a peaceful place with friendly people. In the town, there is a park, a library, a school, and a grocery store. The park is big and beautiful. There are many trees and flowers. Children often play there in the afternoon. The library is next to the park. It's a quiet place where you can read and study. The school is on Main Street. There are many students there during the day. The grocery store is on the corner of Maple Avenue and Elm Street. It's a convenient place to buy food and other things.

Near Oakville, there is a lake. It's a lovely place to go for a walk or have a picnic. To get to the lake, you need to go straight on Elm Street until you reach the end. Then, turn right on Pine Avenue and walk for about ten minutes. The lake will be on your left.
