Read the text about getting around a city. Choose the correct words to complete the sentences.

Getting around

There are many ways to get around this city. It depends on what you want to see and do. There are lots of different areas in the city. Some of them are easier to get to than others.

For example, to get to the centre it's best to take the subway. It's faster than taking the bus, but it's more expensive. Subway trains usually come every five minutes. They start at 6.00 a.m. and finish at midnight. The city centre is popular with tourists because it has got a lot of restaurants and cafés. There are special subway tickets for tourists which have a 20 percent discount.

The business area of the city is in the west. There are many offices there. People usually travel by train. In the mornings these trains are much busier than other times of the day.

In the south of the city there is a beautiful park which people like to go to at the weekends. Unfortunately, you can't get there by train or subway, but there is a bus. Some people say travelling by bus is more interesting than going by subway because you can look around and see things on the journey.

If you want to watch sport, there's a stadium. There are several ways to get there including by taxi and by bus. Most people like taking the tram because it's quicker than the bus and cheaper than a taxi. It only takes 30 minutes, but the bus usually takes 45.

The city doesn't have an airport, but there is a ferry. You can take a ferry across the river. It's better to take the ferry than drive because there's only one bridge over the river. So, there is often a lot of traffic on it.

1. The _____ is a good way to get to the city centre.
2. There are a lot of _____ in the city centre.
3. A lot of people work in the _____ part of the city.
4. Many people go to the stadium by _____.
5. People should cross the river by _____.

Read the text again. Complete the sentences with one word or a number from the text.
