

# "O Lobo que queria mudar de cor"

Completa o texto:

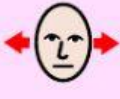

**1**

Era uma vez um \_\_\_\_\_ de cor \_\_\_\_\_.

**e**

Ele já não queria ser preto e na segunda

**1**

pintu-se de \_\_\_\_\_ mas não gostou. achou que parecia um

**1**

**e**

Na terça vestiu uma camisola vermelha e

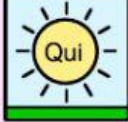

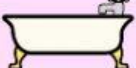

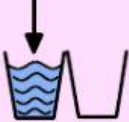

na quarta colocou rosas cor de rosa. mas também

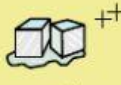

não gostou. Na quinta entrou numa banheira cheia de

**e**

\_\_\_\_\_ e focou \_\_\_\_\_. Também não gostou.

|--------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|
|  <p>preta</p> |  <p>sapo</p> |  <p>lobo</p> |  <p>gelo</p> |  <p>verde</p> |  <p>azul</p> |
|--------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|

Na

sexta

vestiu-se

com

cascas

de l \_\_\_\_\_

mas

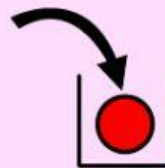

não

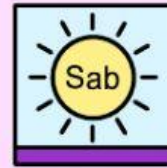

estava

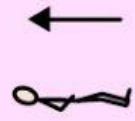

bonito.

No

sábado

deitou-se

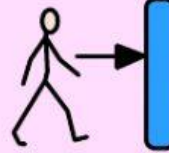

numa

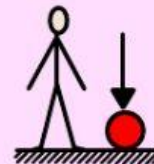

poça

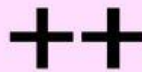

de \_\_\_\_\_

para

ficar

$$\frac{2}{+3} \frac{5}{5}$$

\_\_\_\_\_.

Mas

também

não gostou

do

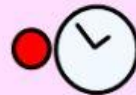

resultado.

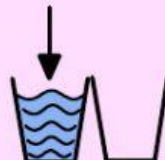

Cheirava

mal

e

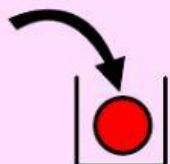

estava

cheio

de \_\_\_\_\_.

No

domingo

pensou

em

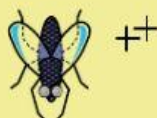

multicores.

castanho

lama

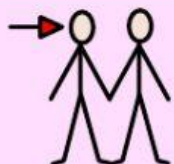

moscas

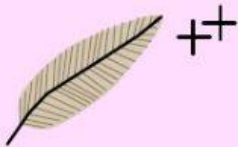

laranja

Tirou

as

penas

do

e

e

fez

1

uma

roupa

colorida.

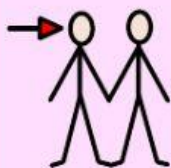

Estava

giro.

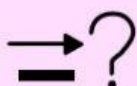

Todas

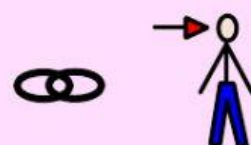

as

lobas

queriam

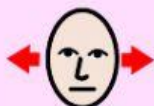

com

ele.

Mas

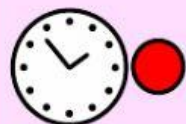

não

tinha

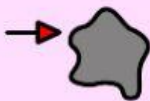

descanso.

Depois de

tudo

isto

percebeu

que

o melhor

era

mesmo

ser

namorar

pavão

preto
